**UPDATE – REWARD PROJECT SALE**

---

On 15 November 2016 Rox Resources Limited (ASX: RXL) (**Rox** or **the Company**) advised that it had received correspondence from legal representatives acting on behalf of Marindi Metals Limited (ASX:MZN) (**Marindi**) in which Marindi has alleged that it considers the Company remains bound to complete the sale of its interest in the Reward Zinc Project to Marindi, notwithstanding the exercise by the Company's joint venture partner, Teck Australia Pty Ltd (**Teck**), of its pre-emptive right over the project.

Further to that advice, Rox has now been served with a Writ of Summons from Marindi in regards to Marindi's claim as outlined above.

The Company continues to maintain that Teck has validly exercised its pre-emptive right to acquire the Reward Zinc Project and will vigorously defend the legal action initiated by Marindi.
